ABOUT US

The PrePRO Program provides aspiring dancers with 1) rigorous and advanced dance and choreography training, 2) classroom sessions that give an intimate understanding of the professional dance industry, and 3) unparalleled dance opportunities (amateur and professional). This holistic approach gives dancers a rare opportunity to learn from industry experts and directly apply these learnings each week.

Two programs, *PrePRO* and *Academy*, are designed to give each dancer a tailored curriculum based on their current ability, retention rate, and coachability.
